What pet experience do you have?

Please describe the area where your foster animal would be kept. For dogs/puppies, where will they sleep? For cats/kittens where will you keep their litter box?

Please read the following statements about the "Foster a Lonely Pet for the Holidays" Program and *initial* next to them to indicate that you understand and agree to abide by them.

- _____ Your foster dog may not be house-trained and puppies can be messy. Your foster cat may not be litter-trained and kittens can be messy. You understand he/she may have accidents in your home.
- _____ Like many dogs, your foster may chew on furniture, clothing, or other objects. Like many cats, your foster cat may scratch on furniture, clothing, or other objects. You are comfortable working with this behavior. The foster home is responsible for any damage.
- _____ You agree to keep your foster dog on a leash, enclosed area or inside your home at all times. You agree to keep your foster cat inside your home at all times.
- _____ You will NOT take your foster animal to a veterinarian or administer medications unless directed to do so by the shelter. The shelter will not reimburse foster volunteers for any unapproved veterinary expenses.
- _____ Representatives from the shelter may need to contact or visit you to discuss the foster pet. You agree to be entirely honest and forthright in regard to your foster pet's condition, be it positive or negative.
- _____ There is some risk to your own animals, especially if your foster animals are not kept separate. You understand that the shelter is not responsible for your own pet's medical treatment.
- _____ The shelter is the legal guardian of your foster animal. You understand the shelter has the final authority in regard to the animal's adoption, treatment or disposition.
- _____ You will not leave your foster animal in the care of another person, including potential adopters, without approval.

As a foster parent in the "Foster a Lonely Pet for the Holidays" Program, you agree to care for your assigned pet for a minimum of one week. Based on the answers to your application, the shelter will choose the pet to be placed in your home. If you wish to keep your foster pet longer, this can often be arranged. If you decide you want to adopt your foster pet, you will have priority and qualify for a special, reduced price adoption.

Upon assignment of a foster pet, a shelter representative will contact you to schedule a family visit to the shelter. You will need to bring everyone that lives in your household. If you are going to foster a dog or puppy, we also want you to bring any current dogs living at your house. We want to make sure your foster pet is the best match possible.

By signing this form, you agree to the above statements and certify that the answers given above are true. Completion of this application does not guarantee acceptance into the "Foster a Lonely Pet for the Holidays" Program.
